

Connect Your 3M™ True Definition to Lumident's Workflow

Save time and money when you send scans directly from your True Definition digital impression scanner. **In addition to all-ceramic restorations, Lumident accepts digital impressions for PFM and full-cast restorations.**

- Call 3M Digital service by dialing 800-634-2249. Select option 3, and then option 1.
- Request that they add Lumident to your account.
- Log out then log back into your 3M True Definition account.
- Select Lumident from the laboratory options.

If you have any questions, contact Lumident at 866-586-4336 and ask for digital impression technical support.
